

Jonathan Kahn leverages 20 years of experience in accounting in multiple industries to help small business owners manage their enterprises and spend more time doing what they love. He holds MBA and BBA degrees from UNM's Anderson School of Management and an Associate degree from Albuquerque T-VI (now CNM). He is a Certified QuickBooks ProAdvisor and a Trusted Advisor to several prominent organizations in New Mexico. When he's not strategizing with clients, he loves to read, travel, research heritage, and learn languages.

Kahn LLC sheds light in the dark, and creates order out of chaos.

I hired a bookkeeper, and I ended up with a CFO. Jonathan coordinates a lot of my company's moving parts, and fills in with expertise that I don't have. He is patient, persistent, and willing to wade through the details. Without that, my business could not continue to grow.
